REF: SECSTATE 154920

Classified By: Polcouns Mary T. Curtin for reasons 1.4 (b) and (d).

(C) Poloff delivered reftel demarche November 16 to MFA Export Controls Section Chief Michal Miarka, who said that his team was working on an outline of ideas for a joint U.S.-Polish export control seminar with Georgia to be held in Tbilisi in 2008. Miarka said that the MFA has not yet shared this particular proposal with the Georgians, but he has discussed with them the general idea of a cooperative effort to improve their export control system. According to Miarka, the Georgians expressed interest in such collaboration.
